

# CERTIFICATE

## SAP INTEGRATION CERTIFICATION

**SAP**® Certified  
Powered by SAP NetWeaver®

### SAP AG

hereby confirms that the packaged composite application

GISA HAV 1.0

of the company GISA GmbH

has been certified as a SAP NetWeaver Composite following the NW-CA-CTB certification test process.

This certificate confirms the existence of product features in accordance with SAP certification procedures. It does not guarantee that the product is error-free.

The certification test is documented in report no. 13947329 and expires December 15, 2013.

The test has been performed against the following backend component systems accessed by the composite:

*SAP ECC 6.0*

The composite is developed using SAP composition tool *SAP NetWeaver Business Process Management (BPM)*.

This configuration meets the requirements for running GISA HAV 1.0 on the SAP NetWeaver platform.

Certified Functions:

HAV Process

SAP Solution Manager Ready functionality

Walldorf, December 16, 2010
